From The Editor:

A very busy first meeting of the year. Andie Hannam gave us lots of updates from the Directors Meeting (too many to add in). Andie also handed out pins for 10 year and 20 years of membership. Sadly a lot of the recipients were not at the meeting .

Ladies of Harley

We held another Coffee Morning on 18th January at the Dealership which raised a further £105.00 for Yorkshire Air Ambulance.

Road Captains 2020

The Road Captains held their annual meeting in January and have arranged 18 Sunday Rides and also evening rides and zimmer rides

Also on the 18th January we handed over another cheque to the Yorkshire Air Ambulance for £3,460.00 bringing our Total amount raised to a fantastic £25,888.00 Well done everyone

Caen Visit to the UK 2020

Caen Chapter Visit to the UK was discussed in further detail. A group of members will meet with the Caen Chapter members at Hull and bring them across to the Dealership. A hospitality area will be set aside for them and later in the day Mick & Sue Pierce will lead the way up to Masham where other members will join them for a social evening.

On Sunday the 5th July Mick and Sue will lead a ride up to Gateshead where the Caen group will be handed over to members of the Geordie Chapter who will guide them on their continued journey up into Scotland. The following Saturday, 11th July will be the Aire Valley Pie run which will finish at Masham to coincide with Caen Chapter heading back down for another night at Masham. On Sunday the 12th July Mick & Sue Pierce will lead a ride into York for a short while and then over to Hull where our Visitors will catch their Ferry back. Hopefully the weather will be kind to us and this will turn into a fabulous weekend both for our Visitors and also for our Aire Valley members.

Further Information for 2020

Andie Hannam has fliers for various Rallies around the UK for the coming year. If you would like more info then please get in touch with her.

We are hoping that when Aire Valley are attending any Rallies this year that we will be able to put forward a contact Name and Mobile Number. That way anyone wanting a little help or guidance will have someone to get in touch with.

Aire Valley Easter Egg run will take place again this year. Details of the date and route will be confirmed at the meeting in March.

Mick & Sue Pierce are working at arranging an event which will bring Aire Valley, St Ledger and Geordie Chapters together for a social evening, and maybe even include chapters from further afield. If anyone has any ideas then please get in touch with Mick or Sue with your suggestions.

Aire Valley will again run it's own mileage challenge alongside the 365 mileage challenge. Please let Rob Hammerton have your start mileage for the year to be included. If you want to take part in the 365 mileage challenge then please get in touch with Mark at the Leeds Dealership.

Roar on the Moor—We need a Rally Crew. If you are able to help please put your name forward to Andie Hannam
