From The Editor:

Another good Meeting held on the 3rd July with two new members John and Mal welcomed into the club.

Roar on the Moor

We Discussed the success of Roar on the Moor 2019. Everyone agreed that once again the Rally was a fabulous weekend. We also had the weather on our side. A big thank you to Andy and Sharon Dorset for all their hard work in the build up and during the Rally. There were numerous other helpers all of whom should be very proud of the results they achieved. I am sure that I'm not on my own in looking forward to see what next year has to bring. Those that were on the Friday Evening ride will be pleased to hear that the injured rider we came across was safely transported to Hospital where I believe he was treated for a broken / dislocated shoulder. We wish him well.

Ladies of Harley

Thank you very much everyone who voted for me as the next Aire Valley UK, Ladies of Harley Representative. My main aim is to try to encourage our Ladies to be a more active part of the Club, whether this be joining in with the Ride outs as either Rider or Pillion, and also to attend events. I am open to any suggestions that anyone may have. Please just get in touch. I have a few ideas myself which I will look to implement soon, but the calendar is already very busy for the summer months. Once again thanks to everyone for your support.
