### From The Editor:

Hi everyone. Another really good meeting .. Sadly a few regulars missing. In particular Sandra Gaunt. I believe this was the first meeting in many years which she has not attended. We welcomed our new Assistant Director Graham Walker who will be a great support to Andie Hannam. On a sadder note our Ladies of Harley representative Ursula Hobkirk announced that

she is standing down. I would like to take this opportunity to wish her well for the future and to thank her for all her amazing work over the last 6 years. Andie will be taking nominations for one of our other Ladies to take Ursula's place. In the event that there are two or more candidates a vote will take place. So thinking caps on folks.

April 2019

I write to thank you and your colleagues most sincerely for the very generous and kind donation you made recently of Easter Eggs.

They were given away at our Easter Luncheon Club and the members of the Club greatly appreciated them. The ones which were left were given away through the shop and again were appreciated by people who have very little.

As you know, much of our work is carried out within a very deprived area of Leeds, and although most of our work is done using volunteer labour, we would not be able to make the impact we do on the community without the kindness and generosity of people like yourselves.

You may be interested to know that besides our normal Sunday Services, we run our Luncheon Club one day a week at the moment and a Friendship Lunch once per month. Our Charity Shop is open four days per week, and we also provide food parcels for the needy. These food parcels are made up from goods purchased using funds raised by ourselves together with donations received from the general public.

Once again many thanks for your kindness and generosity.

Yours sincerely

Lawrence Morley  
Corps Treasurer
