

Membership 2021

After much discussion many of the HOG Directors decided to give free membership for all chapter members who paid in full for 2020, this was discussed with our committee and it was agreed that we would also offer this, however after discussing with many long standing members who wanted to pay their fees regardless so we could recoup some of £1,000 loss we incurred due to cancelling the Rally, we decided to give you the choice. Sandra is currently sending out new HOG approved registration forms with a letter explaining how to get free membership next year.

During our committee meeting last Friday we were asked why a toy run did not take place this year, unfortunately due to lack of donations for the toy appeal and the restrictions of Covid it turned out to be impossible to achieve. Lets hope next year will be better.

2020 InSpire Ride

As many of you know this ride was cancelled however it is hoped that it can once again take place in 2021 with the VE anniversary taking place on top of the annual celebration of the new Bomber Command.

It is hoped to be bigger and better this year with 2 more HOG chapters getting involved, Chrome Hill and the Lincoln chapter.

Once more details are available I'll let you know.

2021 Ride Outs

As the future is unknown due to Covid 19 and who knows what Tiers any of us will be in come 2021 or if we can cross over tiers or even ride we are unable at this moment to put together a Riding Calendar.

Once the future is clearer and we know what we can do, we can then put a plan together and publish Ride outs.

Rob Hammerton is working with other chapters to put together the A-Z chapter challenge which will run from January to November and will put this on Facebook as soon as all the details have been ironed out.

There's a Trophy for the person with the highest points in the Chapter.

Wishing you and your families a Merry Christmas and a Happy New Year
