

Hi to all Aire Valley Members

I'm Ursula, your Ladies of Harley Rep

I have now been representing the Aire Valley ladies for a few years now, since taking over from the lovely Wendy Day. She did such a fantastic job.

I would love to hear from all of you Ladies of Harley with any ideas for some fun nights out or daytrips, whether they are girls only, family days or couples outings and where possible raising money for our selected charities. In the meantime, there will be lots to join in with, so keep a look out for events being posted online.

Keep having fun and ride safe.

Ursula
